Schools - Open Sept. 5

Schools in the Old Rochester District will open Wednesday, September 5th.

Rochester Memorial School starts at 8:55 A.M. with dismissal at 3:15 P.M.

TOWN LOSES TO FARIA

The Mattapoisett Board of Selectmen has received an order from the Superior Court directing the town to pay Police Chief Alfred Faria according to the rate established by the State legislature August 15, 1973. Attorney Leonard Perry has advised the Board of Selectmen that it would appear that payments would be retroactive to January 11, 1973. No decision has been made by Selectmen to appeal the case as yet. Appeal must be entered by September 4, 1973.

FEASIBILITY STUDY ADVISED

Stephen E. Hart, school plant specialist, in reply to George White's request for matching funds to fix up rooms in Center School has advised a Feasibility Study of Center School before a decision is made as to what is to be done with the Old Hammondtown addition. In this advisory, Mr. Hart mentions the wooden staircase and partitions of the original structure as need for the study. The Study Committee will seek funds for such a study from the Special Town Meeting on Thursday, September 13th.

ASK FOR SIGN

The Board of Selectmen of Mattapoisett has asked Highway Surveyor Manuel Nunes to install a school zone sign on a suitable location on Chapel Road. The Selectmen have learned that by changing the present "signals ahead" sign to "school zone" the State will bear the cost of installing blinker signals on Route 6 (about \$4,000.).

NO HUNTING ASKED

Ruling on a request for a no hunting zone east of the Neck Road south of Molly's Cove. Town Counsel Leonard Perry has advised that there is no State statute that will authorize Mattapoisett to prohibit hunting. He advised, however, that Chapter 131, Sec. 58 might achieve the desired end. This prohibits firearm discharge within 150 feet of any hard surfaced highway or within 500 feet of any dwelling.

GRANDFATHER RIGHTS FOR SIGNS

Town Counsel Leonard Perry has advised that signs do not have grandfather rights except under very rare exceptions. The Harbor Beach sign on Route 6 has insti-

MENHADEN AGAIN EYED

Commercial fishing interests have ap-
proached Mattapoisett Selectmen with
a request for permission to seine men-
haden in Mattapoisett harbor. They want
the Board of Selectmen to obtain a special
permit for this from the State Bureau of
Fisheries.

In a hearing earlier this year with the
Bureau of Fisheries the commercial fisher-
men sought permission to seine menhaden
in Buzzards Bay. This move was strongly
opposed by sports fishermen who feared
that depletion of the menhaden on a com-
mercial scale would ruin the sports fishing
in Buzzards Bay. The result of this hear-
ing on May 10, 1973 was a decision not to
authorize the seining. Commercial fisher-
men now seek special permits to seine in-
side Mattapoisett Harbor. Mattapoisett
Selectmen have the matter under advisement.

JUNIOR AUGUST SERIES

The Juniors concluded their '73 season with a full schedule of three races last Wednesday, August 22nd.

The first contest was the closest of the day, with the top contenders, Tricia Mc Carthy, Carol McCarthy and Jim Broadwater coming in by margins of just seconds.

In the next one, Laurie Jenney's Ariel won decisively over John Cornish's Barby Jo and Carol McCarthy's Blue Cloud.

Jim Broadwater, sailing Agamemnon, completed the set of first place winners, besting Laurie Jenney by a one-minute victory. Incidentally, the duel for second and third was nip and tuck most of the way, giving Laurie a 17-second lead over John Cornish.

AUGUST SENIOR SERIES

Although summer is fast waning, ideal racing weather is still with us. Saturday, August 25th, was such a day, including, at it did, warm sunshine and as fine a breeze as ever filled a sail.

the initial contest, Ariel was followed by Carol McCarthy's Blue Cloud (38:15) and Jim Broadwater's Agamemnon (38:25); in the second, by only Phil, the others being listed as DNF.

In the Planing Hull doubleheader, the pattern was Harvey Pentleton, then Kevin O'Leary. They sailed to Sunken Ledge Black Can 5, to Strawberry Point MYC guide buoy, to Ned's Point MYC guide buoy; also to Sunken Ledge Black Can 5, to Mattapoisett Neck MYC guide buoy, to Ned's Point MYC guide buoy, to Sunken Ledge Black Can 5 and finish. MYC WINS BEETLE BOWL

In past years, the Mattapoisett Yacht Club has seemed to have the knack of winning the annual Buzzards Bay Beetle Bowl, and 1973 proved to be no exception. The Mattapoisett team of Susan McGowan, Phil McCarthy, and Jim Broadwater racked up 15 points to Angelica Yacht Club's 21 1/4 and Tahanto Yacht Club's 38 3/4 (low point system used).

Susan and Jim swept all four races in their division.

Competition in the Men's Division, however, was action-packed, with leads hard fought for and ever changing.

In the first race, Phil McCarthy led during legs 1-3, but lost out on the 4th, as Dave Crowley seized the initiative - but only momentarily. As it ended, MYC was again on top, then came AYC and TYC.

Race #2 was claimed by Angelica, MYC placing second.

Race #3 (a real donnybrook) saw Phil once more quickly out front, then dropping behind - now second, now third - but on the last leg battling back. From this point on in, the lead seesawed between the three contestants. They finished less than a boat-length apart - Angelica, Tahanto, Mattapoissett.

The pace slackened somewhat in the last race as MYC and AYC trailed TYC.

Letter to The Editor

Dear Sir,

Thanks are due to the Presto for printing the fringe benefits received by representatives in Washington in addition to their \$42,500. salary. These benefits cost the taxpayer at least \$200,000. per year per Congressman. The top executives of large companies do that well, but a large part of it is not tax-free.

Mr. Studds recently issued a "Report to the People" sent to his constituency, in which he enumerated some of his votes in Congress. Reading it, one gets the impression that he is sincerely interested in reducing the burden on the taxpayer.

Then we read in the Presto - not in the "Report to the People" - that Mr. Studds feels he needs more than the \$200,000. tax-free expense account to do his job.

Why is it that so many of our elected representatives seem to feel that just spending more money automatically guarantees their doing a better job?

Why didn't Mr. Studds admit the truth:

Ever since John Kennedy introduced glamor to the Presidency, the image has been everything. I really don't care how he looks or how he sounds just so long as he is in command of the country and keeping it stable. The President will be judged not by his acts on TV but by the price of gasoline, the price of meat, the fact that the average family can keep up the mortgage payments, that taxes don't wipe out all but the wealthy. The President will be judged by the integrity of the government that has been breached by the apparent misuse of the F.B.I., by the apparent misuse of government agencies for political purposes. It

WAREHAM JUNIOR MISS PAGEANT

The Wareham Junior Miss Pageant time is once more approaching and the Regional Scholarship Club members are busily at work with their preparations. Under the expert leadership of Normand Desjardins, long associated with local, State and National Pageants, committees have been formed and another successful pageant is in the making. Junior Miss Pageants have been sponsored by this club since 1966 and this will be their 8th Pageant. Of the seven pageants already held, three

of the chosen Queens went on to win the State Junior Miss title. The most recent one to be so honored is Miss Swea Nightingale of Bourne. She is now busy representing our State at various functions as the "Massachusetts Junior Miss". This record speaks well for the high calibre of girls who compete in this local Pageant. The Regional Scholarship Club is formed of businessmen from Wareham, Marion, Mattapoisett and Fairhaven. These men give freely of their time and efforts to raise funds for scholarships. Mr. Arthur P. Marcoux, long associated with Jay's Drug Stores, heads up the scholarship committee. His choice of candidates for the scholarships has been most rewarding, because recipients from Wareham High School and Old Rochester Regional High School have all completed or are completing their advanced education, many with high honors. Industries represented by club members include shellfish, electrical contracting, plumb-

ing, real estate, pharmacy, legal, cranberries, catering, restaurant and politics. Some members are retired men but continue this work for their communities. New members

"The first monthly payments under the Federal program will be made in January 1974," Cote said. "Until then, State public assistance offices will continue to make

People not getting public assistance now
who think they may be eligible for the new
Federal payments should call or write social
security to find out if they should apply.

"Federal supplemental security income pay-

Administration," Cote said. "But the pro-
gram will be financed by Federal general
revenues--not by social security conti-
butions from workers and employers. It's
not the same as social security."

The aim of the new program is to provide
supplemental payments in cases of need so
that people 65 or over, or blind, or disabled
will have a basic cash income of at least
\$130. a month for one person and \$195. a
